## STATEMENT EXPLAINING PETITION TO REVIVE

Mail Stop **Petition**Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

## Dear Commissioner:

Revival of this application is sought to submit an Inventors Declaration in response to a Notice of Missing Parts and thus ensure the chain of the priority.

This application (serial no. 10/620,638) was expressly abandoned to avoid publication, after continuation application serial no. 10/706,578 (now. Pat. No. 6,977,041) was filed and which claimed the benefit of the filing date of application serial no. 10/620,638.

When application serial no. 10/620,638 was abandoned there was a Notice of Missing Parts which was not responded to, as the inventors' declaration was not filed. Revival is sought solely to file the inventors' declaration. The fee for responding to the Notice of Missing Parts, and the inventors' declaration, are submitted. But there is a complication with the declaration.

An inventor's declaration was filed in the continuation application serial no. 10/706,578, but it was not submitted in response to the Notice of Missing Parts and bears the application serial number of the continuation application, no. 10/706,578. See Attachment to L. Brown Declaration.

In seeking the inventors further signatures for the application being revived (serial no. 10/620,638,) two inventors refused to sign, even though they signed the declaration for the continuation application and even though they had assigned their rights as reflected by the attachments to the Brown Declaration submitted herewith.

To address the refusal of these two inventors to sign, a petition under Rule 47(a) is submitted along with the declaration of Larry Brown.

The last known addresses of these two non-signing inventors are as follows: Mr. Greg Metzger's last known address is 350 Linwood, Escondido, California, 92027. Mr. Fred Enstrom's last known address is 25746 Forrest Drive, Escondido, California, 92026.

Applicants request that the petition to Revive be granted for filing the declaration responsive to the Notice of Missing Parts, and that the Rule 47(a) petition be accepted in order to provide the required inventors declaration, and that the inventors' declaration be deemed fully responsive to the Notice of missing Parts.

If any additional fee is required, please charge Deposit Account Number 19-4330.

Respectfully submitted.
